Learn jewellery making techniques like soldering, piercing, filing, polishing and stone setting. Using basic hand tools that have been the same for hundreds of years I simplify the jewellery making process, to create handmade jewellery that you will be proud to gift or wear. Please bring design ideas and any treasures/stones/beads/shell/buttons and I will help you to make a piece of handmade jewellery. I have a small selection of semi-precious stones for sale. This course is open to anyone. Some degree of patience is recommended.
